Eldritch Scholar

A dark, gothic, and scholarly theme blending Dark Souls aesthetics, deep amethyst tones, and futuristic minimalism.

So deep....

✨ Features

- **Gothic Dark Palette:** Immersive deep amethyst, obsidian black, and rich parchment ink tones (`#120e16` `#0d0a10` `#c792ea`)
- **Scholar Typography:** Custom typography integration featuring IM FELL English for headers/editors and EB Garamond for clean reading views.
- **Futuristic Neon Accents:** Subtle 1px gradient borders and glowing metallic highlights replacing standard harsh borders.
- **Zero Clutter:** Aggressive border and line removal for a seamless, distraction-free writing environment.
- **Custom Scrollbars & UI Elements:** Fully styled settings menus, modals, and file explorers matching the dark arcane aesthetic.

📥 Installation

Method 1: Inside Obsidian (Recommended)

1. Open Obsidian and go to **Settings > Appearance > Themes**.
2. Click on **Manage**.
3. Search for **"Eldritch Scholar"**.
4. Click **Install and Use**.

Method 2: Manual Installation

1. Download the latest release zip file from the [suspicious link removed].
2. Extract the folder into your vault's `.obsidian/themes/` directory.
3. Reload Obsidian and select **Eldritch Scholar** from your Appearance settings.
